Grading

- class participation (10%),
- homework and programming assignments (40%),
- midterm examinations (25%),
- final examination (25%).

Late Homework

- Late homework is “OK” but...
 - » Only if it's not too late
 - » You don't miss class to get it done
 - » You're not late too often

How to get an “A” in CSCE 451/851

- Attend class regularly
 - » Ask questions!
- Read the book
- Do the homework
- Study!

How to get a “D” in CSCE 451/851

- Assume getting copies of handouts is sufficient
- Don't take notes in class
- Miss class
- Waste time playing on the Web

Course Conduct

- You may work in groups in *understanding* assignments,
- developing *approaches* and *strategies*
- *learning* to use the UNIX/Linux tools
- You may not
 - » develop joint solutions
 - » share code
 - » copy anything
- All assignment solutions must be authored in full by you!
